ESBDF Series

Combined refrigerator and freezer
Features

Name: Combined refrigerator and freezer
Model: ESBDF-25V450E / ESBDF-25V450F
Outside cabinet: PCM color plate
Outside door: Epoxy polyester powder spray coated steel plate
Condenser: Wire tube condenser
Evaporator: Refrigerator: Tube and plate evaporator
Freezer: Wire tube evaporator
Insulation: Rigid polyurethane foam filling
Compressor: Fully enclosed
Thermostat: Microcomputer control
Temperature sensor: NTC
Alarm system: High/low temperature alarm, door ajar alarm, power failure alarm, low battery alarm, sensor error alarm.
